

Trade Show

Performance Racing Industry Trade Show 2019

The largest racing industry trade show in the world.

Show Location: Convention Center, Indianapolis, Indiana

Audie Technology Booth # 5132, 5134

Show Dates: Dec. 12 - 14, 2019 Thursday, Friday, Saturday

You can spend Thursday through Saturday working the PRI show, and be home by Sunday, ready to work on Monday morning.

Come and join Audie Technology at the world's largest trade show for the hardcore racing market. (No-exaggeration- we have 5 international reps who give us a perspective on the rest of the world.) We also think it is the best. If you can only go to one show, it should be this one. Come and stop by and see us at Booths numbers 5132 & 5134.

Please note PRI is a "Trade Only" show. You must have some form of ID that states you are in racing business to be admitted to the show. A business card is **NO LONGER** enough to get you into this show. According to PRI, companies need either a copy of their business license, a copy of their vendors permit, or copy of their resale license. Employees need one either a paycheck stub or a copy of a W2 form. Pre-registering is **STRONGLY** recommended.

For more information and to pre-register contact Performance Racing Industry: Phone: 949-499-5413 Fax: 949-499-6399
